LUXTURE SURFACE COATINGS PVT. LTD.

Luxture Surface Coatings Private Limited, an ISO 9001-2015 certified company engaged in beautification and restoration, was incorporated in the year 2002 and is being managed by professionals. We take the proud to introduce for the first time in India, "Luxture Surface Textures" the exclusive range of European and Japanese textures, designer and decorative paint with multi-coloured and special effects, followed by "Decorcem" the stamped concrete to create stone effects and the latest but not the least is "Granimitz" the revolutionary stone veneers which replicates similar to natural wild stones and bricks. The newly introduced & most awaited product which gives solution to you design & decorative floors and concrete facades. Luxture Group also take the pride in creating enduring value through sustainability. It strongly believe in connecting it's core capability to provide optimum customer satisfaction.

Over the past decade Luxture built it's presence through out the nation & abroad to offer one of the most comprehensive product platform ranging from designer and decorative coatings, industrial coatings, stone over lays, stamped concrete, stone veneers, bricks, decorative floors and facades.

We invested a lot in hard core research and developments, and our team of technocrats and professionals worked very hard to introduce new ideas in the form of new products. All this could have been possible because of the inherent values of dedication, commitment, trust and responsibility, quality assurance, services and customisation as per architect & customer need that have shaped the organisation through a decade.
